— A step to build your Health Career —

DM WIMS
Medical College & Hospital

 **N.S.D.C.**
National
Skill Development
Corporation
Transforming the skill landscape

 **Healthcare
Sector
Skill Council**

National Skill Development Corporation (NSDC) was set up as part of a National Skill Development Mission by **Government of India** to fulfil the growing need in India for skilled manpower across sectors and narrow the existing gap between the demand and supply. To contribute significantly to the overall target of skilling up of people in India, mainly by fostering private sector initiatives in skill development programmes. Skill based learning focuses on increasing employability through series of inputs to, equip students with appropriate hands-on skills which helps them to be job- ready. Core focus on job role based skills leads to comprehensive specialization, thereby increasing efficacy of the candidate. Skill Training interventions raises confidence, improves productivity & competency of an individual through focused outcome based learning.

Dr. Moopen's Academy, is envisioned by DM Education and Research Foundation trust led by Dr. Azad Moopen a brilliant academician, genuine philanthropist and remarkable entrepreneur. The institution is set with a clear vision not only to provide the best healthcare at affordable cost to the people of Wayanad District, which is considered as the most underdeveloped district of Kerala but also to spearhead health related educational institutions for imparting Medical, Nursing, Pharmacy, Para-medical, Biotechnology and collaborative courses like MEM, PGDEMS, EMT-A, CMT etc. DM WIMS is the first NABH accredited Medical College Hospital in North Kerala and the 2nd in State, located amidst the beautiful hills on Wayanad. The Teaching Hospital was commissioned in 2012 and offers all General and Super Specialty Services. Dr. Moopen's Academy now offers skill based course **"Pharmacy Assistant"** affiliated to National Skill Development Corporation.

Pharmacy Assistant in the Healthcare Industry is also known as a Pharmacy Technician and Pharmaceutical Care Associate. Pharmacy Assistants work under the direct supervision of a registered pharmacist and perform many pharmacy-related functions. They refer any questions regarding prescriptions, drug information, or health matters to a pharmacist. Technicians review prescriptions or requests for refills that they receive from patients and nurse. Pharmacy Assistants should demonstrate strong customer service and teamwork skills because they interact with patients, co-workers, and health care professionals. They should have good mathematics, spelling, reading skills and knowledge about the medical terminologies. Pharmacy Assistants should be alert, observant, organised, dedicated, and responsible. They should be willing and able to take directions, but be able to work independently without constant instruction. They must be precise.
